WHAT IRVING WILL PROVE-THE MURDER-

ER IN SING SING.

NEW YORK, Oct. 9.—It is said that Irving will prove that Kelly, now in Sing Sing, killed Nathan with the iron dog, which was obtained of a caulker in the Brooklyn Navy Yard; that the \$10,000 in which were in Nathan's safe, were seen in Kelly's hands a few days after the murder; that these bonds were negoti-ated, and that Nathan's watch and chain were pawned in Centre street the day af-ter the murder.

CLEVELAND.

WORK OF THE WHISKY DEMON. CLEVELAND, O, Oct 9.—The wife of Barney Curtin was found in the saloon belonging to her husband, No. 158 Seneca

Utica, Oct. 9.—The State Temperance Convention here to-day was attended by only fifty delegates. No nominations of State officers was made. A platform was adopted asking Congress to suppress the adopted asking Congress to suppress the importation, manufacture and sale of liquor; that they will vote only for Legislators favorable to this prohibation; recommend the citizens of the State to unite in securing from the next Legislature a law submitting to the people a question of prohibation and urge the enforcement of the present law against Sunday traffic in liquor.

BOSTON.

THE EVANGELICAL ALLIANCE. It imph of christianity in India; when His people cast and west, north and south, New York, Oct. 9.—Pere Hyacinthe's would be as one people in Christ.

letter to the members of the Evangelical Alliance is published. He is united by feith in the same Christ, the only Son of God and Redeemer of men. You are laboring to bring together on communion grounds the different Christian confes

samed payment in greenbacks.

Mr. Camp, manager of the Clearing House, said that since the issue of the loan certificates, there has not been seen set as many greenbacks as were seen yesterday when the clearances were made.

A Wall Street Dank president, when spoken to on the subject, said he thought that greenbacks had become sufficiently numerous to allow of resumption. In case, however, the pressure became too great, the bank would no doubt fall back to the plan followed during the past two weeks, as a measure of satety. There seemed no reason, he said, why the payment of the control of the contr ton. If that was the philosophy, I cer-syment of tainly should not be of it, for I do not Trade is think it would be wise to exterminate the

house as they want to.

The foreign delegates of the Evangelical Conference, accompanied by Mayor cal Conference, accompanied by Mayor Havemeyer and other members of the city government, are on a visit the public in-

etitutions.

The session in Association Hall was banks, and he said he could not, because he was not prepared to admit that the banks have suspended currency payments. They had only refused to pay out legal tenders for checks. Legal tenders, he added, are rapidly increasing in the banks of the city, and the banks are now paying all the regular and legitimate demands upon them.

William Orton was to-day re-elected President of the Western Union Telegraph Company.

The failures of Gibson Casa & Co., and offices.

offices.

The first paper read was on the church and nation, by Rev. W. H. Freemantle, of London. He argued that in a christian nature the Church and the State are identical, and there can be no alliance be tween them, for they are not in wers. He believed that in the future powers. He believed that in the future the pulpit will speak more of civil gov-ernment and law, and Legislatures vill feel more of the influence of religion. Judges and magistrates are the true eld-ers of this day, and in the scripture the

Rev. Mr. Brunot of Financia a surprised that such an aggregate of thought should be expressed without striking, against the thought of others. He said that the constitution of the United States is one appropriate for all sects and creeds, even propriate for all sects and creed Mahomedan, therefore, he blushed he believed in closer unity of the church with the State.

Rev. Robinson of Philadelphia followed and said many European nation, are trying to work up to our American model. If this be true it concerns us what that model shall be. He said that our government was strictly a religious government. Our law of marrisge was a Christian law; blas-phemy is an offense against the statute law. Christian religion is part of the common law of our government. Relicommon law of our government. Reli-gious worship is recognized by it. Our legislatures and national Senate are opened with prayer. Public feasts and thanks givings are established by the government. The Christian oath is administered in

civil courts and by it our civil officers are qualified. Our system of education is purely a Christian one. We have the bible in our schools, except in a few cases where bigotry has caused

ed with Americs, and argued that it has always been found that where churches are not supported by the State they thrive better, the members no doubt feeling it incumbent on themselves to be more lib-eral and energetic than where endow-

ment is the rule. Several hymns were sung, after which he Rev. Mr. Hall opened on ministerial

support.

At a meeting of the City Mission tonight at Olivet Chapel, Rev. Mr. William
Knox, of Ireland made a short address,
giving his experience in the city mission
work in Belfast, Ireland. He urged ministers not to confine themselves to the
multiple of the result of the confine themselves.
